United Teletech Financial FCU Mobile Banking and Mobile Deposit Terms & Conditions

Thank you for using the Mobile Banking and Mobile Deposit Services (“Services”) and any related Software (“Software”) provided by United Teletech Financial FCU (“UTF”) combined with your handheld's text messaging capabilities. By participating in the Services or using the Software, you are agreeing to the following terms and conditions, in addition to any terms and conditions to which you have previously agreed with respect to the underlying electronic banking and bill pay services of which the Service is a part. UTF in its discretion may modify these Terms and Conditions at any time. **Standard messaging charges apply.**

In this Disclosure and Agreement, the words “you,” “your” or “user,” mean the consumer that applied for and/or uses any of the Mobile Banking or Mobile Deposit Services (the “Services”) described in this Disclosure and Agreement. The words “UTF” “us” and “we” mean United Teletech Financial FCU. Your application for use of the Mobile Deposit Services, notification of approval of your application, and UTF Account Agreement and Disclosures are hereby incorporated into and made a part of this Disclosure and Agreement. In the event of a discrepancy between this Disclosure and Agreement and your Application, approval, or the Account Agreement, this Disclosure and Agreement will control. All other agreements you have entered into with UTF, including the Depository Agreement and Disclosures governing your UTF account, are incorporated by reference and made a part of this Agreement.

Terms and Conditions:

a. Program (Mobile Banking): UTF offers their members mobile access to their account information (e.g., for checking balances and last transactions) over the Short Message Service (SMS), as well as the option to set up alerts for their accounts (e.g., low balance alerts). Enrollment requires identification of the user's banking relationship with UTF as well as providing a mobile phone number. The mobile phone number's verification is done by the user receiving an SMS message with a verification code which they will have to enter on the website. Additionally, customers may select the type of alerts and other preferences which will determine, together with their account data, the frequency of alerts delivered to the customer. This program will be ongoing. Standard messaging charges apply. Customers will be allowed to opt out of this program at any time.

Program (Mobile Deposit): This mobile deposit service is designed to allow you to remotely deposit paper checks to your personal account with UTF (the "Account") by electronically transmitting a digital image of the paper checks for deposit. This program will be ongoing. Customers will be allowed to opt out of this program at any time. You agree by acceptance of this disclosure that, if you have provided the credit union with your cell phone number, the credit union may use this number to contact you regarding your accounts. You may revoke this authority by contacting the credit union at MemberSupport@utcu.org or 732-530-8100.

b. Questions: You can contact us at MemberSupport@utcu.org or 732-530-8100, or, for Mobile Banking, send a text message with the word "HELP" to this number: 59289. We can answer any questions you have about the program.

c. To stop the Mobile Banking program: To stop the messages from coming to your phone, you can opt out of the program via SMS. Just send a text that says "STOP" to this number: 59289. You'll receive a one-time opt-out confirmation text message. After that, you will not receive any future messages. If you stop the Mobile Banking program, Mobile Deposit will automatically stop.
