

Important Update

Bill Pay Will Begin to Sunset *on November 4*

A new Bill Pay service starts November 11 with our Digital Banking upgrade.

If you use Bill Pay, please plan ahead for scheduled downtime as we move to a new service.

Payment Scheduling
You'll be unable to schedule new payments from Nov. 3 - Nov. 10. Payments scheduled by Nov. 4 will be processed. There may be delays between Nov. 9-18; please give any bills due during this period extra processing time.

Your Bill Pay Details
Your Bill Pay payees, payment history, scheduled payments, and recurring payments will transfer automatically to our new platform.

What's Changing
Our new Bill Pay service will offer enhanced security and protection against overdrafts. Starting Nov. 11, you'll need to have funds in your account at the time the payment is processed.
